Thanks Anzor! Note taking Joanne off and adding Elisabeth as this is a BID issue.

I made some changes on the network yesterday. I would give it 50% chance these changes will fix the problem. If you encounter another issue, please let me know and I will investigate it further. Thank you.

Subject: S Drive

Anzor - Multiple employees in our organization have been having recurring problems not being able to access our "S" drive which houses most of our documents. This appears to have happened right after the building power shut down on July 8. Oddly I have not been having any problems but this is a real issue that I understand multiple work tickets have been submitted for.

Can you please look into as soon as possible?

Thanks.

Suzanne
